

Nichiren Shoshu Monthly

The Nichiren Shoshu Monthly is the basis of our study program at Myohoji Temple. Each issue features the High Priest's recent guidance, articles on basic and advanced Buddhist topics, experiences, and reports on the kosen-rufu activities in the US and around the world. Remember to bring your Nichiren Shoshu Monthly with you to the Oko Ceremony, in order to study the lecture with our Chief Priest Reverend Takano. Our local meetings also use articles from the magazine. Quarterly, semi-annual and annual subscriptions are available.

~ Currently available in the bookstore and by subscription ~
